SAFE WORKING CONDITIONS ARE A BASIC RIGHT!

We believe that workers should not have to worry about whether their workplace is safe because a safe working environment is a basic right!

That is why we are prepared to work tirelessly to pursue justice on your behalf. It is our goal to maximize any compensation you may be entitled to so that you can focus on healing and recovering.

If you or someone you know has been seriously injured while working at an unsafe construction work site, there is no time to waste in securing representation to pursue the just compensation you deserve.

**Most Accidents Are
Avoidable!**

*All too often
developers and
construction
companies sacrifice
safety for profit by
failing to commit
to inspections,
provide proper
safety devices or
routinely supervise
the subcontractors.*

We are a friend to all
Labor Unions!
#unionstrong

We fight for Worker's rights and worker safety!

Over the years, Constantinidis & Associates have had the privilege of representing union members for various unions throughout the New York area. Our clients include *Electricians, Painters, Plumbers, Carpenters, Steamfitters, Iron workers, Tile Workers, Masons & General Laborers.*

Additionally we have fought to maintain workers rights and worker safety laws and have been supportive of workers rights and union rights throughout the years.

When a union member is seriously injured and becomes disabled the added damages they suffer encompass much more than merely a claim for pain and suffering.

Our attorneys and expert economists have in depth knowledge of union benefits including position credits earned and outstanding, disability benefits, healthcare and vacation fund losses as well as future losses as a result of being unable to participate through the payment of annual dues.

At Constantinidis & Associates P.C., we have successfully litigated cases for union workers for many years and have the necessary skills and expert witnesses to maximize your recovery.

*Since our inception,
Constantinidis & Associates,
P.C., has earned a reputation for
tough and committed advocacy.*

Our experienced trial attorneys have the experience, skill and passion to help you through these difficult times and get you the justice that you deserve.

We understand that the time immediately following an injury can be very difficult. Rest assured that we are here to stand by your side and walk you through the tough steps ahead. We will provide you with excellent counsel so you can make informed decisions about your future.

We understand that recovering from an injury can be very challenging – physically, emotionally and financially. We are a firm dedicated to you and your case.

Our staff and attorneys will hold your hand and help you get your life back to normal as much as possible.
